

AMERICA IS IN GRAVE DANGER! The Government of the United States has placed its citizens in grave danger by sponsoring and promoting an Israeli "Land for Peace" deal with internationally recognized terrorist groups Hamas and Fatah. Those terrorists have publicly proclaimed their intent to completely destroy the Nation of Israel and wipe the Jewish People off the face of the earth.

History proves that "Land for Peace" doesn't work. On September 15th, 1938 Great Britain's Prime Minister Nevel Chamberlain met with Adolf Hitler, Europe's greatest Terrorist, at Hitler's Alpine retreat called Berchtesgarden. What was this meeting about? After WWI a small population of Germans found themselves to be within the borders of the Sovereign State of Czechoslovakia. Those Germans were in an area known as the Sudetenland which had never been part of Germany. Sudetenland had been part of the greater Moravia Kingdom. Hitler used Nazi terrorists in Sudetenland to instigate riots and civil unrest while demanding that this territory be given to Germany because German people lived there. Hitler, not yet powerful enough to challenge the great armies and navies of Great Britain and France used terror tactics and threatened war if the west did not capitulate to his demands of Land for Peace. Hitler assured Chamberlain in this meeting that he did not have any more ambitions for land in Europe. Chamberlain felt that this issue was far from Great Britain and was a local dispute that was unworthy of war. On September 29th, 1938 France and Great Britain divided the Sovereign State of Czechoslovakia in a "Land for Peace" deal without Czechoslovakia's input or consent. German troops occupied half of Czechoslovakia termed Sudetenland by Germany on October 1st, 1938 without a shot being fired. Prime Minister Nevel Chamberlain returned home to Great Britain waiving that document declaring "We have peace in our time". This catastrophic "Land for Peace" deal was the keystone to the start of WWII and the worst Jewish persecution known in human history. Hitler, the terrorist that the west negotiated with then invaded Poland one year later in another "land for Peace" deal with the Soviet Union.

Land for Peace Politics fail and empower terrorists. Today, in our time, America is proposing the exact same "Land for Peace" Politics regarding Israel and the Fatah and Hamas terrorist organizations. America is sponsoring a meeting in November at Annapolis Maryland where the Sovereign Nation of Israel will be placed on the butcher block and her land carved up to satisfy terrorist demands and capitulate to their ultimatum for Land or war. The same demand Hitler made in 1938. America cannot repeat the same mistake that was made in 1938.

Historical facts prove and verify Israel's ownership of the land. Israel became a nation in 1312 B.C. two thousand years before the rise of Islam. Arab refugees in Israel began identifying themselves as part of a Palestinian people in 1967, two decades after the establishment of the modern State of Israel. Since the Jewish conquest in 1272 B.C. the Jews have had dominion over the land for one thousand years with a continuous presence in the land for the past 3,300 years. The only Arab dominion since the conquest occurred in 635 A. D. and lasted no more than 22 years. For over 3,300 years, Jerusalem has been the Jewish capital. Jerusalem has never been the capital of any Arab or Muslim entity. Even when the Jordanians occupied Jerusalem, they never sought to make it their capital and Arab leaders never visited. Jerusalem is mentioned over 700 times in the Tanach (the Jewish Holy Scriptures and Christian Old Testament). Jerusalem is never mentioned in the Koran. King David founded the City of Jerusalem. Mohammed never came to Jerusalem. Jews pray facing Jerusalem. Muslims pray with their backs toward Jerusalem.

History reveals some truth regarding Arab and Jewish Refugees. In 1948 Arab refugees were encouraged to leave Israel by Arab leaders promising to purge the land of Jews. Sixty-eight percent left without ever seeing an Israeli soldier. The Jewish refugees were forced to flee from Arab lands due to Arab brutality, persecution and pogroms. The number of Arab refugees who left Israel in 1948 is estimated to be around 630,000. The number of Jewish refugees from Arab lands is estimated to be the same. Arab refugees were intentionally not absorbed or integrated into the Arab lands to which they fled, despite the vast Arab territory. Out of the 100,000,000 refugees since World War II, theirs is the only refugee group in the world that has never been absorbed or integrated into their own peoples' lands. Jewish refugees were completely absorbed into Israel, a country no larger than the state of New Jersey.

*"...he who touches Israel,
touches the Apple of God's eye."*

- Zachariah 2:8

Pray for Peace in Jerusalem.

What can we learn from the previous Arab and Israeli conflicts? The Arabs comprise of eight separate nations, not including the Palestinians. There is only one Jewish nation. The Arab nations initiated all five wars and lost every one. Israel defended itself each time and won. The PLO's Charter still calls for the destruction of the State of Israel. Israel has already given the Palestinians most of the West Bank land, autonomy under the Palestinian Authority, and supplied them with weapons under the Oslo accords of 1993. No government was established, no infrastructure was made to aid the Arabs who lived there, no jobs were created, and no attempt was made to provide a stable and safe environment for families to live and grow in. Under Jordanian rule, Jewish holy sites were desecrated and the Jews were denied access to places of worship. Under Israeli rule, all Muslim and Christian sites have been preserved and made accessible to people of all faiths. The UN Record on Israel and the Arabs: Of the 175 Security Council resolutions passed before 1990; there were 97 directed against Israel. The U.N. General Assembly has voted on over 1,500 resolutions between 1945 and 2006. Of those, 535 were directed against Israel. That's over 30% of all resolutions concerning the entire world were passed against a tiny nation that has less than 1% of the world population. The UN was silent while 58 Jerusalem Synagogues were destroyed by the Jordanians. The UN was silent while the Jordanians systematically desecrated the ancient Jewish cemetery on the Mount of Olives. The UN was silent while the Jordanians enforced an apartheid-like policy of preventing Jews from visiting the Temple Mount and the Western Wall. The U.N. is silent while rockets are fired into Israel from Gaza every day. Israel truly desires peace but it should not be purchased at the cost of her sovereignty and security! Land for Peace politics also endangers America.

Author and White House Correspondent Bill Koenig has written the book "Eye to Eye: Facing the Consequences of Dividing Israel" which details undeniable evidence that every time America attempts to divide the Land of Israel for Peace, great calamity strikes America. ANY Pressure from the United States upon Israel to divide her land will result in grave consequences for the United States. The land of Israel belongs to the Jewish people and their return to that land was recorded in scripture over 1,000 years before the birth of Islam. Jeremiah 23:7-8 "In that day," says the LORD, "when people are taking an oath, they will no longer say, 'As surely as the LORD lives, who rescued the people of Israel from the land of Egypt.' Instead, they will say, 'As surely as the LORD lives, who brought the people of Israel back to their own land from the land of the north and from all the countries to which he had exiled them.' Then they will live in their own land." Amos 9:14-15 "And I will bring again the captivity of my people of Israel, and they shall build the waste cities, and inhabit them; and they shall plant vineyards, and drink the wine thereof; they shall also make gardens, and eat the fruit of them. And I will plant them upon their land, and they shall no more be pulled up out of their land which I have given them, saith the LORD thy God."

America cannot afford any confusion regarding Israel and her destiny. No religion, nation, or people group has replaced Israel and any political agenda, doxology, or theology that claims to have replaced Israel or divide it is untrue and deceitful. The bible records the prophet's words regarding the land and any attempt to divide it. These Prophets also correctly foretold the coming of the Jewish Messiah and the rebirth of the Jewish Nation in one day. Jeremiah 31:35-36 that as long as the sun, moon, and stars are in the sky, a remnant of Israel will inhabit the earth. Look towards the heavens and you will see God's heart and the truth concerning Israel every day. Israel is God's time clock. The prophets forewarned that the world would attempt to divide Jerusalem. They give a stern warning to those who attempt to do so. Zechariah 12:2-4 "I will make Jerusalem and Judah like an intoxicating drink to all the nearby nations that send their armies to besiege Jerusalem. On that day I will make Jerusalem a heavy stone, a burden for the world. None of the nations who try to lift it will escape unscathed. "On that day, says the LORD, I will cause every horse to panic and every rider to lose his nerve. I will watch over the people of Judah, but I will blind the horses of her enemies."

America's plan to divide Israel for peace is placing the nation in grave jeopardy, endangering our sovereignty and safety. We must actively petition our elected officials not to divide the Land of Israel. If America desires to continue in God's blessings, it must bless and stand with the Nation of Israel, the Apple of God's eye. America is being poisoned by Political Correctness and Godless politics in an attempt to make a false peace with Islam that will not last. America cannot and should not apply pressure upon Israel to seek peace with the very enemy that seeks to destroy it through terrorist sponsored Jihad. We must learn from history and not repeat our mistakes. Islam is at war with us whether we accept it or not. Radical Islam will bring their war to us regardless of U.S. political views. America needs Israel, the only Democracy in the Middle East, as an ally. Peace will never be reached by negotiating with terrorists or terrorist nations. AMERICA, ONE NATION UNDER THE GOD OF ISRAEL, MUST AWAKEN FROM ITS SLUMBER. AMERICA IS IN GRAVE DANGER by sponsoring a plan to divide the Land of Israel. THIS MUST NOT BE ALLOWED! Jews and Christians must unite to pray and change the course of this nation. We are asking every citizen to mobilize and contact the Bush Administration and their Congressional Representatives and demand that America stand united with Israel and say NO to "LAND FOR PEACE" politics.

We invite those who love the Nation of Israel and its people (Jew or Gentile) to come and worship with us at Congregation Zion's Sake every Friday evening at our Erev Shabbat Service @ 7:30 PM and stand with us as ONE! Come, and find the truth.
